This is the fourth weekly newsletter update regarding the summer 2024 construction projects at Minot International Airport.

### TAXIWAY B2 AND TAXILANES A & B RECONSTRUCTION

- Phase 1 construction continued this week on Taxilanes A & B of the North T-Hangar Area.
- The fourth week of construction included installation of aggregate base course, draintile, and concrete valley gutters.
- Asphalt paving operations are expected to begin this week and continue into next week.
- It is anticipated that Phase 1 construction will be completed by July 19th, after which Taxilanes A & B will reopen.
- Project Lookahead**
  - Next week the contractor will continue asphalt paving.
  - The targeted completion date for this project is early August.

### WILDLIFE HAZARD REMOVAL PROJECT

- Initial contractor setup and site security operations have been completed in the southwest portion of the airfield.
- Project Lookahead**
  - Construction operations are expected to proceed on July 15th in the southwest portion of the airfield.
  - The targeted completion date for this project is late November.

**Please check NOTAMs for up-to-date information regarding the airfield status.**
