This is the eighth weekly newsletter update regarding the summer 2024 construction projects at Minot International Airport.

TAXIWAY B2 AND TAXILANES A & B RECONSTRUCTION

- Phase 1 construction has been completed on Taxilanes A & B of the North T-Hangar Area.
- Project Lookahead**
 - The second phase of the project is expected to begin in mid-August - currently scheduled for August 12.
 - Phase 2 work will require the closure of Taxiway B2 and is anticipated to last 3 weeks.
 - During Phase 2 construction, pavement patching on Taxiway F will occur. Work will be limited to 2 working days.

WILDLIFE HAZARD REMOVAL PROJECT

- Contractor has stripped topsoil in the Phase 1 and Phase 2 areas of the project.
- The perimeter bypass road has been constructed outside of the glideslope critical area.
- Project Lookahead**
 - Next week's work is anticipated to include excavation in the southwest ditch in the Phase 1 work area and placement of embankment in the Phase 2 work area (southeast quadrant of the airfield).
 - The targeted completion date for this project is the summer of 2025.

Please check NOTAMs for up-to-date information regarding the airfield status.
